INTEGRITY & PERSONAL RESPONSIBILITY

The University of Maryland expects students to conduct themselves with integrity, character, and ethics at all times, everywhere.

Maryland students are given authority and responsibility for management of the campus disciplinary process. Conduct boards made up of fellow students hear cases that may result in suspension or expulsion. The Office of Student Conduct staff work with students to resolve less serious cases through conferences. The University provides students with procedural protections, including an opportunity for a hearing and an appeal.
