Your University of Maryland identification card is more than an ID. When you have a Terrapin Express account it’s a secure way to make purchases all over campus. Terrapin Express is accepted anywhere that takes cash or credit cards—and some places that don’t!

THE PROCESS IS EASY

- Make a deposit into your account, then present your UMD ID at a participating location.
- The purchase amount is deducted from your balance (which can be viewed online 24-7).
- Your funds transfer from one academic year to the next.
- As an added bonus, most purchases are tax exempt when shopping in Dining Services.

YOUR ACCOUNT IS SECURE

- Your UMD ID bears your photo so only you can use it.
- When you report your UMD ID missing online, your account is frozen immediately and will remain so until you find or replace your card.
- **REMEMBER** to go online and report a missing UMD ID **AS SOON AS POSSIBLE** to limit any financial loss that may be incurred.

YOUR ACCOUNT HOME

- Go to terrapinexpress.umd.edu, select “Online Services,” and log in using your University login.
- Add funds and/or check your balance 24-7 via Testudo or call 301-314-8069 during regular business hours.
