- College-level course
The University of Maryland adheres to a policy of compliance with the Family Education Rights and Privacy Act of 1974 (the Buckley Amendment). With certain limitations, this act requires and it is the policy of the University:

- To permit students to inspect their educational records
- To limit disclosure to others of personally-identifiable information from education records without the student's prior written consent.
- To provide students the opportunity to seek correction of their education records where appropriate.
