

FUEL. CSPAC.

THE CLARICE SMITH PERFORMING ARTS CENTER

THE WORLD IGNITES AT CSPAC.

Extraordinary performances explode the boundaries of place and time, and you can be there to fuel the flames. Our audience is the focus, with a chance to meet and eat, get a great deal, find out what happens from the inside or get your hands dirty. You don't have to dress up; just bring an open mind and a sense of adventure.

STUDENT WEBSITE

FUEL your education and find out why we care so darn much about our performers. The student website was created for you to learn about what is going on at the Clarice Smith Performing Arts Center. Watch a YouTube video, read a review by one of our talented student bloggers, find information about upcoming events — it's all just a click away.

www.claricesmithcenter.umd.edu/2009/c/students/

STUDENT TICKETS

FUEL yourself with FREE tickets available to UM students starting Monday for each week's performances. First-come, first-served. In addition, UM students can purchase up to two tickets per performance for \$9 each, and students from other schools can show their student ID and purchase one student-priced ticket. Student group discounts available; please call the Assistant Ticket Manager at 301.405.6126 for more information.

STUDENT BLOGS

FUEL your appreciation of the performance, and your ability to talk about it. Our student bloggers cover performances, talk to visiting artists and artists-in-training, and share their insights. Smart, funny and entertaining, each blogger has a different personality and relates what's happening on our stages to what's going on around campus and in the community.

SPECIAL EVENTS

FUEL your evening by starting earlier or staying later for one of our FREE events. Many of our performers hang around after the show to answer questions and meet audiences, and we regularly offer panel discussions and seminars with experts in related fields designed to enhance your experience.

WANT MORE? Explore our artists and their work through blogs, video, audio clips and more. Engage at www.claricesmithcenter.umd.edu.
