Things to Ask Yourself…

…when Adding or Dropping a Course

1. **Adding** – Will this duplicate a GenEd requirement I have already fulfilled?
2. **Adding** – Are there prerequisites or corequisites for this course?
3. **Dropping** – Do I have enough credits to be a full-time student?
   - Full-time = 12+ credits; Maximum this fall = 17 credits
4. **Adding/Dropping** – Is this a major requirement?
   - If not a major or GenEd requirement, then it’s an elective.
   - Does your major allow electives?
5. **Adding/Dropping** – Do I have AP/IB/transfer credit for this course?
   - Check your unofficial transcript to see if any have posted.
